

Bridgeport Host Lions to Host St. Valentine's Eve Event

As the New Year unfolds so do the details of "**Love Notes**", the new, premiere fundraising event being produced by Bridgeport Host Lions at the Oronoque Country Club on Feb. 13th. Never was a St. Valentines Eve celebration so fun. It promises to be an elegant affair with delectable dining, suave entertainment, sparkling excitement and the camaraderie of good friends.

Tables of eight to 10 will be at a premium for this "don't miss" event as all Lions in District 23-A are invited- and there are 50 clubs plus two new ones in the chartering stages. Guests will choose from a menu of optional, opportune amenities as well as dinner selections when making their reservations. A mere \$75 per couple or \$40 solo buys a whole evening of food, fun and entertainment. It all begins with a prestigious, complimentary wine tasting party at 7 PM.

Lions wishing to advertise their companies can partner with the Bridgeport Host Club and purchase a Sponsor's Table for up to 10 guests. Sponsors will be featured in all newspapers, website and email write-ups. And, of course, be recognized at the event. Isn't it time the world knew your company existed? Sponsors will also enjoy a complimentary bottle of white wine and a bottle of red at their tables. Sponsorships are very reasonable at \$550 per table.

The evening's entertainment alone is worth the price of any ticket. Professional performers Jack "Dino" Lynn and Don "Sinatra" Peluso will bring the infamous Rat-Pak back to life with the songs you've never forgotten and the friendly barbs and bantering of stars.

For tickets phone Louise Smith at 1-203-374-7195 or email Dot Pickens at pickensd@santaenergy.com.

To become a Sponsor email Carol.Banner.PublicAffairs@charter.net.
